Tickets for the 7:00am Wednesday Birthday Breakfast in the Gateway Restaurant will be distributed in the 6:00am Devotional that morning.

All employees are invited to attend the evening performance of "This is Polynesia" one night in this celebration week. In order to do so you should present your I.D. to window 1 in the Reservations Office no sooner than 30 minutes before show time. You will be entitled to two tickets on presentation of your I.D.

This offer is extended to all current employees by the General Manager as one way of saying "Thank You" for the many services you perform in the various departments within the Center. Please be aware that paying guests will be served first each evening, and that this employee offer extends over the whole week.

If you have any enquiries regarding this please contact Fia Mau, Reservations Manager, at ext 3342.

Happy Birthday to Us!

At least one employee in this 1963 photo still works here in the Center. Can you name these people?
