## Happy Birthday Polynesian Cultural Center!

Pick up your free copy of the employee photo at next week at **Special Projects** beginning Tuesday.

Saturday, October 13, 1990 marked the 27th anniversary of the Polynesian Cultural Center. Sleepy eyed employees, some more sleepy than others, gathered in Discovery Plaza to begin the festivities.

After a few encouraging words from President Christensen the employees honored two special employees who had reached their twentieth anniversary. Lusi Tawaqa who works in the Fijian Village and Lulu Sigavata, who works in the Village Operations staff.

Entertainment was provided by the various departments. Favorites included the Business Office Grape Viners and the Laundry Sheiks.

## King and Queen of Malaysia Visit Center

Their Royal Highnesses, the King and Queen of Malaysia came on a surprise visit to the Center on Saturday, October 20, 1990 and were hosted by President and Sister Christensen along with Guest Services Vice President T. David Hannemann. Accompanied by their nephew, Prince Noor Mohamed Putra, who is currently a student at Hawaii Pacific University majoring in Marketing, and their daughter Princess Azwas and Son Prince Badaruddin and grandson, Ariez (son of Princess Azwas).

Our distinguished guests enjoyed the splendor of their royal welcome by each village complete with cultural presentations, gifts, leis, singing and dancing. They were also serenaded by an outstanding musical performance from the BYU-H/PCC Brass Band.

The special canoe tour was skippered by guides Ottley Wright and Junior Fuimaono assisted by VIP guide Salamasina Sagapolutele.

Their climaxing experience here at the Center was the sumptuous "Royal Feast" in their honor at the Alii Luau and the spectacular evening performance of "This Is Polynesia" show.

Their Royal Highnesses bid us farewell with much aloha and appreciation for the Center and the church.

The King and Queen of Malaysia and their family enjoy a canoe ride with a special visitor. Sitting on the right edge in the fourth row is well-known Hawaii singing star Melveen Leed.

# Aloha United Way 1990 Campaign

Once again it is time to ask for donations to the Aloha United Way fund. Donations can be paid in cash or can be deducted from paychecks regularly.

People often ask how much to they should give to Aloha United Way. No one can, or should, tell you how much to give. That is a decision only you can make based upon income, family obligations, and your personal situation. Many people want a guide for consideration. The Suggested Giving Guide has been developed to serve as only that...a guide.

Annual Income	Gift %	Annual	Monthly	Semi-Monthly
up to \$9,999	.6	\$60.00	\$5.00	\$2.50

Well, Gateway went all the way again! October 13, 1990 was Boss's Day and they took their boss, **Vernice Pere**, to breakfast. Where else but the small circle by the Laie Elementary School. Vernice dined to the entertainment of Hula by Mildred, Music by Bobbie Akoi and a Tauoluga by Losa. Thanks for being a great boss!
