Villages Provide Christmas Cheer

For the last two weeks, a choir of 90 Village workers have been brightening the Center with the Christmas Spirit by gathering at the front entrance each night at 6:00 p.m. to serenade guests.

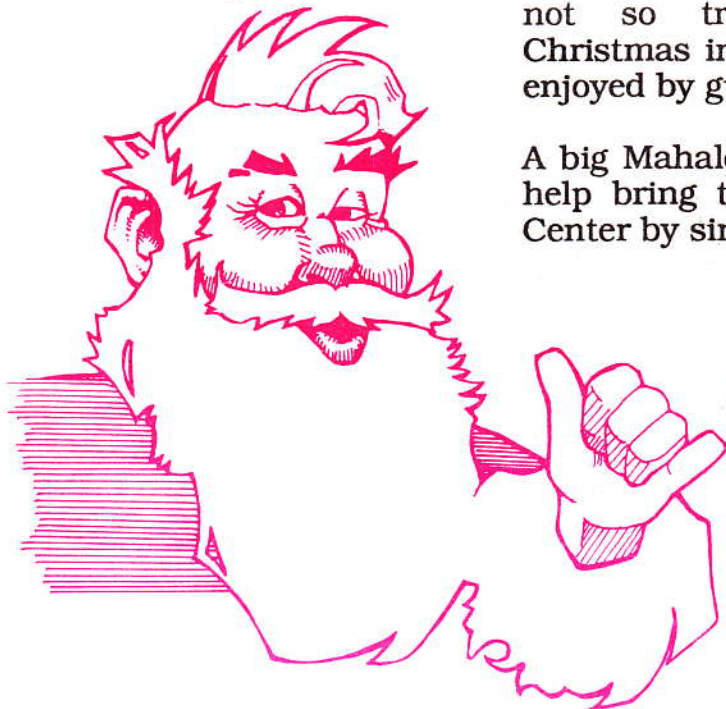

The village songs include a medley of favorite Christmas songs. "Joy to the World", "Hark the Herald Angels Sing", and "Oh Come All Ye Faithful" are among the traditional songs heard. Also mixed in are some special island Christmas songs.

One guest commented that his favorite part was the

"pretty little girls who danced to 'I'm Dreaming of a White Christmas'". Another favorite is the Hawaiian Village Version of "Hawaiian Santa" choreographed by Keith Awai. The Maori women also do a beautiful sign to "C is for the Christ Child". The all time performer and crowd favorite is the not so traditional "Twelve Days of Christmas in Pidgin". This song is equally enjoyed by guests and local people as well.

A big Mahalo to these talented people who help bring the spirit of Christmas to the Center by singing with their hearts.

festival of joy.*

Commencement Speaker Visits Center

On his trip to BYU-Hawaii to speak at commencement on Wednesday, December 20, 1989, Dr. Bruce C. Hafen visited the Center on Tuesday, December 19th. Dr. Hafen is the current Provost at BYU Provo. He was appointed to that position earlier this year by BYU President Rex Lee.

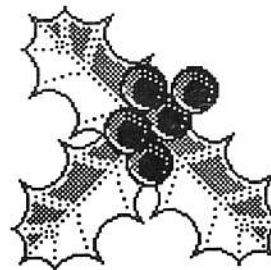

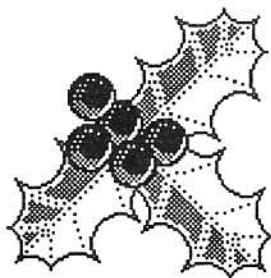

Accompanied by Vice President T. David Hannemann, Dr. Hafen and his wife toured through the villages. As they toured, special emphasis was placed on the fact that so many of our workers are students.

Of particular interest to Brother and Sister Hafen were the various cultures of the students who work here.
