## *Finding "Romance in Polynesia"*

Ninety-three guests enjoyed a special Valentine's Day treat at PCC last Thursday. With torches lighting the lagoon, they boarded our double-hulled canoes for a night tour through the villages. Themed "Romance in Polynesia," the tour included a discussion of courtship practices in Polynesia, the sharing of favorite legends from the different island cultures, and a stop in Samoa where refreshments and entertainment by village musicians were provided. A warm thanks goes to all those who helped to make the evening a truly memorable experience!
