“ALOHA OE, RALPH”

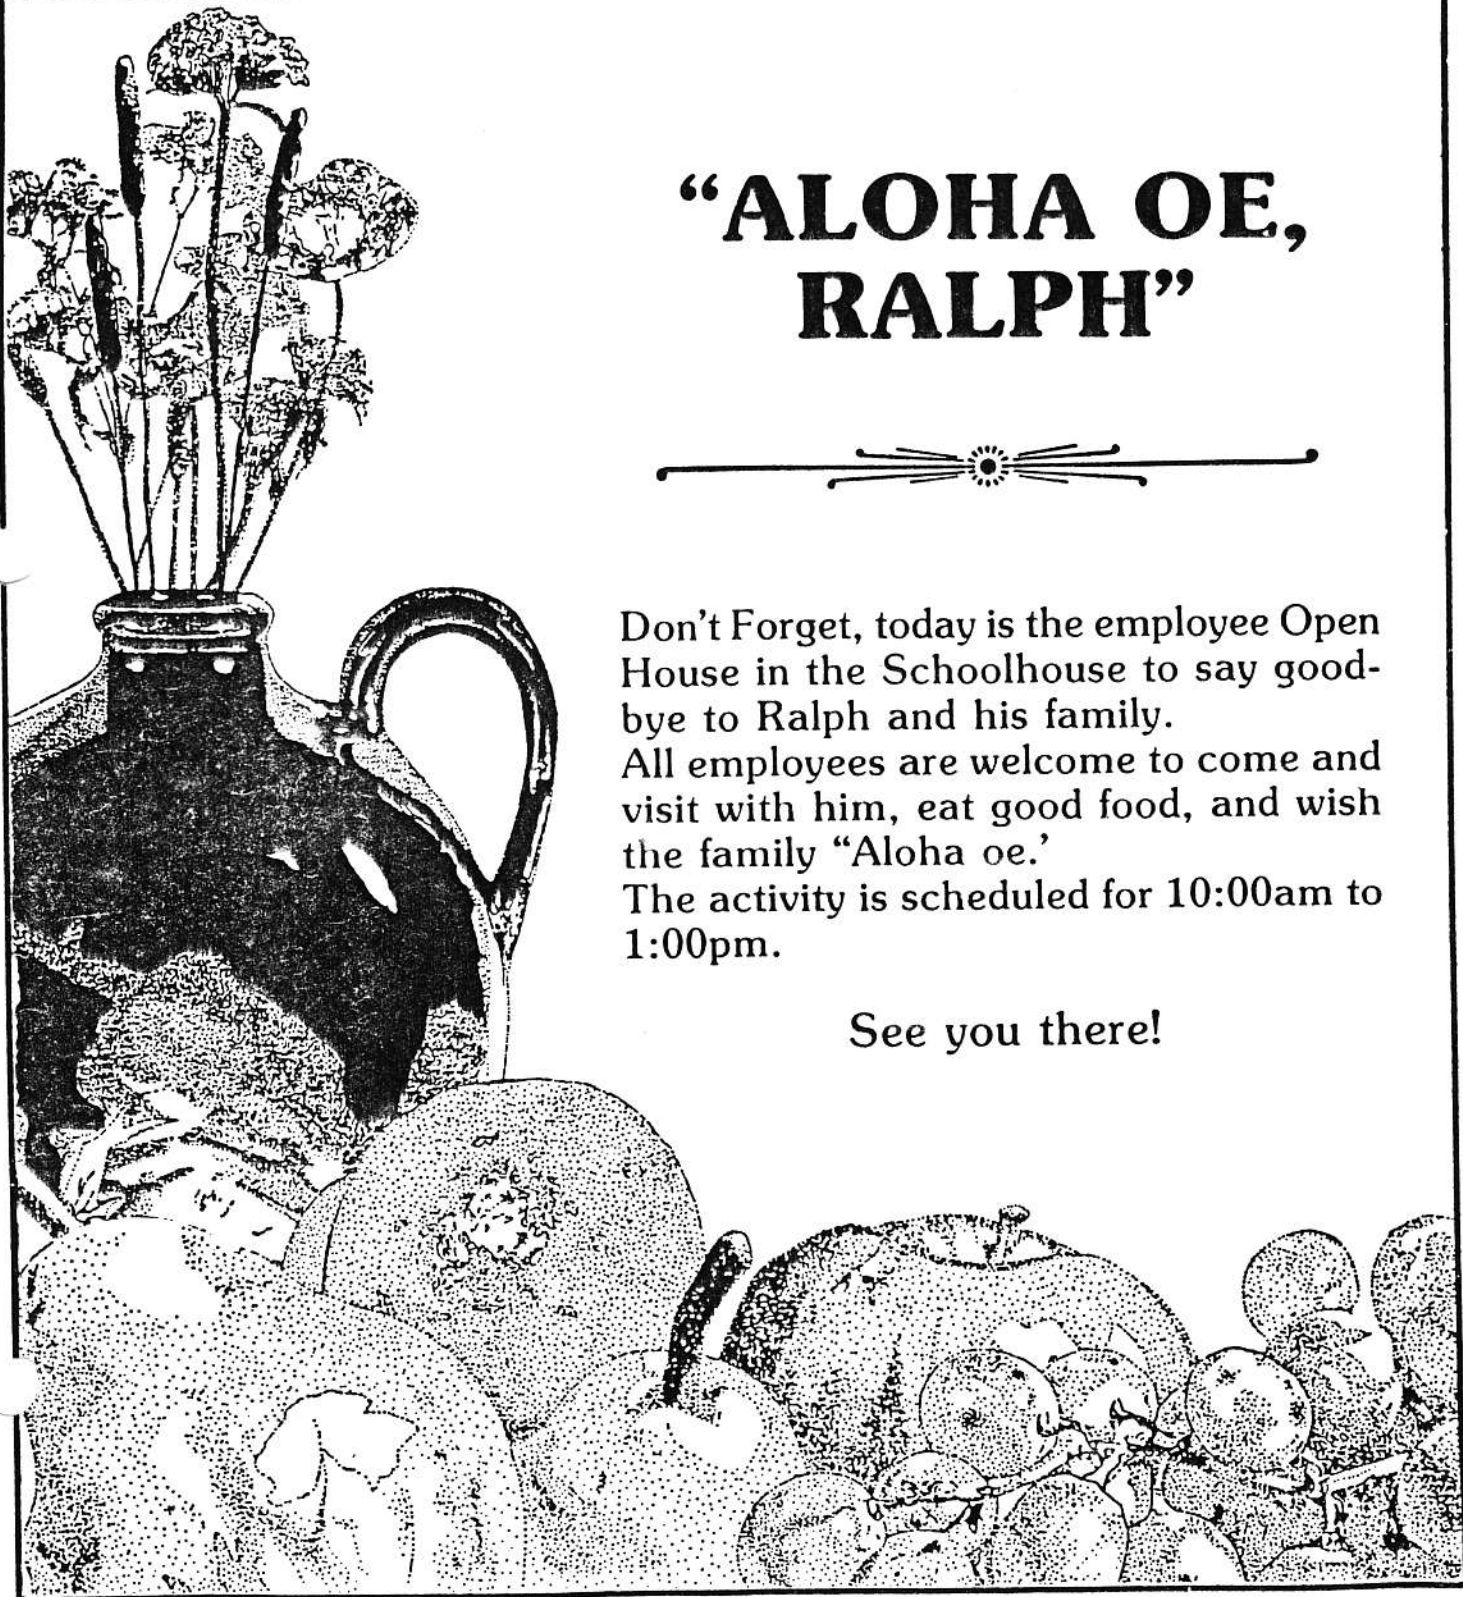

Don't Forget, today is the employee Open House in the Schoolhouse to say good-bye to Ralph and his family.

All employees are welcome to come and visit with him, eat good food, and wish the family “Aloha oe.”

The activity is scheduled for 10:00am to 1:00pm.

See you there!

Casting Call

Filming is imminent for the Center's IMAX movie. You may have already met Anna, of the "Polynesian Odyssey" team who is working out of an office near the Seamstresses in the Graphics building.

The crew met this week with producers Keith Merrill and Ralph Rodgers to go over details ranging from costumes to set construction to the sailing of a three-masted schooner.

There will be opportunity, as the filming proceeds, for employees to answer a general casting call if you are interested in being a part of the movie. If so, and you pass audition, you will be required to work your filming availability around your regularly scheduled job.

Be on the lookout for more information about this in the month of August.

The Gateway Family Welcomes...

July A Banner Month

July ushers in the Independence holiday and our 25th Anniversary theme of the arts. Watch for new banners of red, white, and blue and a new "costume" dressing up the Mission Home.

The Board of Directors will also convene this month - more news later on this event.
