Meet our Waikiki Promo Team

We'd like to recognize the Waikiki branch of our PCC Promotional Team. They have the responsibility of covering most of our Waikiki Orientation Musical Mission which includes a six-morning-a-week orientation at the Hilton Dome at 7:20 a.m.: Tuesday, Thursday, and Saturday musical mission at the Royal Hawaiian Shopping Center at 9:30 a.m. to 11:30 a.m. and a noon briefing lecture at the Waikiki Sheraton and/or the Hyatt.

Our group consists of five musicians, **Gideon Johnson**, **Klyde Kaimana**, **Dreena Kane**, **Quinton Keliikoa**, and **Mike Koanui**; and dancers **Janda Brown**, **Kim Kaimana** (Klyde's wife), **Eleanor Johnson** (Gideon's wife), and **Lui Patolo** our male dancer.

Both Waikiki and Laie meet together often in Laie to rehearse and prepare for musical missions to mutually support each other. For big affairs, our Cultural Instructors usually step in to teach the dances and songs, with **Larry Reis**, our Musical Coordinator overseeing the music arrangements. Both teams of musicians come under the tutelage of Larry Reis who in turn comes under the umbrella of the performing arts, the Theater.

"I'll Remember You" is a Success!!

From July 9, 1987 through June 25, 1988 the BYU-H/PCC Brass Band has been responsible for the phenomenal sales success of the cassette tape "I'll Remember You". They were able to generate sales of 10,000 cassettes. The result of this sales success is the opportunity to provide more Band Scholarships, according to **John Napoleon** of PCC props.

A plaque was engraved with the inscription "10,000 audio cassettes sold from: July 9, 1987 through June 25, 1988" and presented to the BYU-H/PCC Brass Band with members of the BYU-H and PCC Administration present.
