

THE Villager

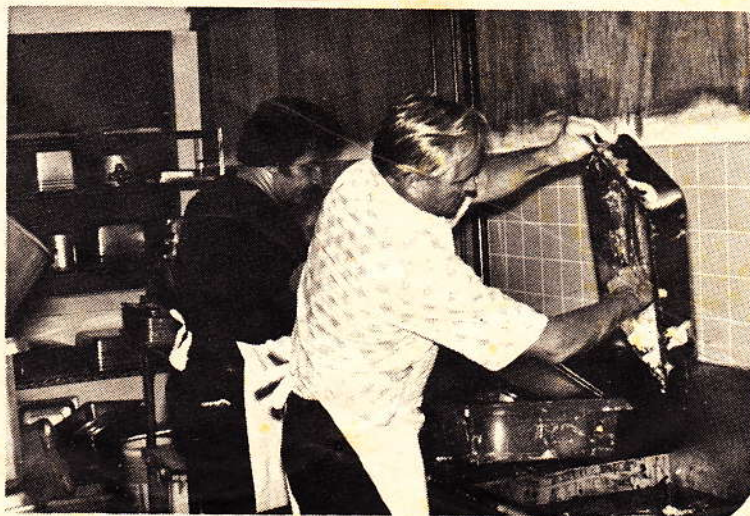

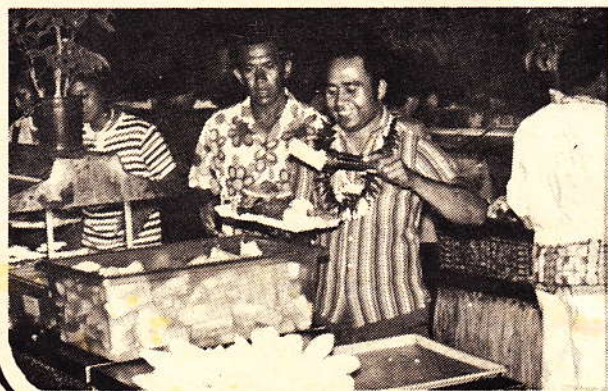

EMPLOYEE NEWS SHEET OF THE POLYNESIAN CULTURAL CENTER

SEPTEMBER 1974

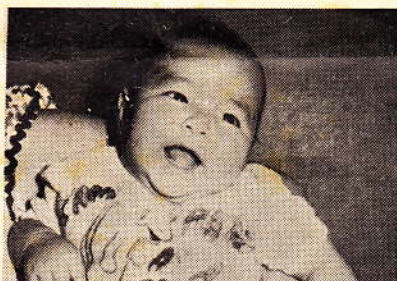

END OF SHEET 74 *

Trying to catch up on the weddings and new baby news is sometimes a hard task - there have been a few since the last "Villager" (when was that anyway??!)

Starting in late June, Dale Simpson of the Data Processing Dept., wed Lillian Zakimi on the 29th of June. Bill Peeni of the Maint. Dept., wed Amanda Boquet from the great state of Alaska. A recent marriage (can you believe it? - recent!) George Sadowski of the Laie Tour married Linda Taylor on August 20th in Utah. Congratulations to you all!!

Here's a recent picture of David and Winnie Bells little boy, Jared David, born May 20th. He is now a husky 4 and a half months old.

Graham Handcock seems to be walking around in a daze lately. When asked about it, Graham will boast of his new daughter, Monique, born September 17. Graham will also comment on her hard-to-get-used-to feeding schedule - every two hours! Congratulations to all of our new parents.

Hope you got a chance to catch a performance of "J.B." at the BYU-HC campus last week. Our own

Irwin Purcell and Dottie Behling were stars in the play. They played great parts as Zuss and Sarah respectively. I don't know about J.B.'s son David though - he looked a little old for 15!

YOUR SMILE MAY BE SOMEONE'S ONLY REASON TO BE HAPPY TODAY!!

Did you know that P.C.C. will be 11 years old on October 12? We're getting better in our old age!

We hear that Peata Munro of the Hospitality Department has received her Mission call to labor in the Canadian/Toronto Mission. Peata leaves beautiful Hawaii for cold Utah on the 31st of October. We wish her well and good luck in her new responsibility. She has been a welcome addition to the P.C.C. family for a long time.

THE "VILLAGER" IS PUBLISHED MONTHLY AS A NEWS SHEET FOR THE EMPLOYEES OF THE POLYNESIAN CULTURAL CENTER. LAIE, HAWAII 96762.

We hear good news about Sam Cikaitonga of the Hospitality Department. Upon his graduation from the Brigham Young University-Hawaii Campus this coming December, Sam will start his new career as the Principal of the LDS Church Elementary School being build in Fiji. Sam will graduate with his degree in Child Development and Family Relations and Elementary Education. This summer, Sam received valuable experience while teaching young handicapped children in California. Congratulations Sam!

Well the news is officially out....Noel McGrevy is getting married! Noel and Miss Karen Ford, of the BYU-HC Student Services Staff, are planning on a December wedding.

The new Hawaiian Section of the night show is going off with a bang! Auntie Sally Wood has put together another great show for our guests. The costumes are really colorful and bright.

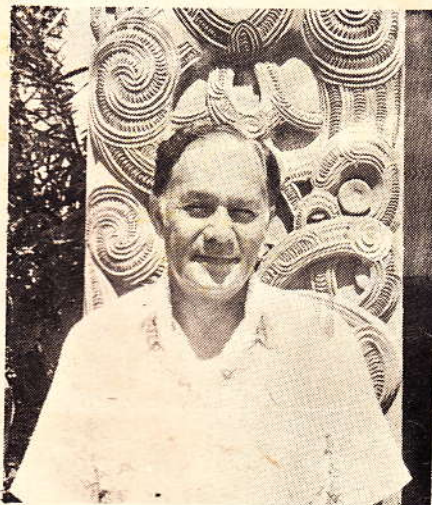

Speaking of new costumes, I guess you all have noticed the Hospitality Departments new "pink look" - young ladies really look great in pink, but the men, well, uh, hummmmm.....

IAMELI KAIO

EPELE LIGAIRI

DAVID BELL

VILIAMI TAUMOEPEAU

PETE'S PRATTLER

The Center's new official greeters are a welcomed addition. Our guests really enjoy having their pictures taken at the "front" with them - they are all in different polynesian dress. They are doing a great job and by what they say are having fun doing it. You can tell by their big smiles!

DON'T FORGET ABOUT THE HALLOWEEN DANCE AND PARTY ON THE 26th OF OCTOBER AT 9:30 p.m. IN THE COMMERCIAL AREA.

After filling out his information slip to receive his Kokua Award for the month of September, Taifau Purcell, formerly of the Samoan Section, left for the Language Training Mission at the BYU-HC prior to his leaving for his mission in Samoa. Good luck to Taifau and congratulations for being selected as a Kokua Award winner.

Speaking of mission calls, Dean Williams of the Theater Department has received his call to the Japan Mission, the same mission field that Joe Ahuna was called to last month. Joe is presently
(NEXT COLUMN)

studying at the Language Training Mission at the BYU-HC before he leaves for Japan. Dean will enter the Language Training Mission at the end of this month. Good luck to two fine young men.

When U. of H. played BYU-Provo in a football game last month, we had the pleasure of showing the student body officers and pep squad of BYU-Provo around the Center. Pictured here with their special guide, Peata Munro, with Uncle Tom Kershaw as they toured through the Maori Village.

THE "KEY" TO FAMILY FUN THIS FALL

This Fall the popular Magic Key ticket book returns for the exclusive enjoyment of all Club members... at both Disneyland and Walt Disney World.

Most members are aware that Magic Key tickets provide "open sesame" to ANY of the many attractions at Disneyland and Walt Disney World at a price which is less than the general public pays for the regular A B C D E tickets. Other members are less familiar with how the Fall/Winter/Spring books (with Key coupons) differ from the Summer ticket books.

For first-time visitors, the difference in our ticket books is sometimes confusing. Your many calls and letters indicate the need to explain just what advantages the Club member does have over the general public.

GENERAL PUBLIC

Early in Disneyland's history (before the Magic Kingdom Club) it seemed logical that, in order to provide maximum enjoyment of the Park's facilities, we needed a ticket book which would give admission and sufficient coupons to enable the guest to have a wide selection of the Park's many attractions. Thus, the A B C D E book evolved. Millions of families have used this popular book to enjoy a sampling of ALL attractions, with A coupons (10c), B coupons (25c), C coupons (40c), D coupons (70c), and E coupons (85c). It was only natural that the E rides became most popular, especially with families who visited often. Then when the Magic Kingdom Club was devised (Fall of 1958) our advisory group from newly formed Chapters asked for a ticket book with ALL E coupons. And that's what the Magic Key Book is... all Key (E) coupons. These coupons may be used, however, on any other attractions (A B C D). Curiously, Club members do use a good percentage of their Key coupons for C and D rides. We discovered that the all E (Key) book worked very well in the nine months of Fall, Winter and Spring, but not so well in the peak Summer season... when waiting areas at major attractions became quite congested. After considerable experimenting, and discussion with personnel and recreation leaders in California, it became apparent that we should go back to the A B C D E tickets for the three month Summer season, but with two extra coupons (one C and one E) for Club members only. And, of course, at a lower price than the general public pays for the regular A B C D E ticket book. Confusing? Not really... not after your first visit.

All of the foregoing adds up to simply this: The Club member pays less than the general public and consistently receives a better ticket book... year-round.

Fall truly is the time for more family fun at both Disneyland and Walt Disney World... especially with Magic Key ticket books.

Plan now to bring the family and visit us before the busy Holiday season!

Gentlemen:

Almost tow years have passed since my first and only visit to the Polynesian Cultural Center at Laie which I greatly enjoyed.

Ever since, I hoped to learn a bit more about the Polynesian people and their culture. I would very much like to correspond with some young girls or women from Samoa and Fiji.
